Bill No. 94

THE NURSES AND MIDWIVES (AMENDMENT) BILL, 1979

A

BILL

further to amend the Nurses and Midwives Act, 1953.

Preamble.—WHEREAS it is expedient further to amend the Nurses and Midwives Act, 1953 for the purposes hereinafter appearing;

BE it enacted in the Thirtieth Year of the Republic of India as follows:—

1. *Short title and commencement.*—(1) This Act may be called the Nurses and Midwives (Amendment) Act, 1979.

(2) It shall come into force on such date as the Government may, by notification in the Gazette, appoint.

2. *Insertion of new section* 24A.—After section 24 of the Nurses and Midwives Act, 1953 (X of 1953), the following section shall be inserted, namely:—

"24A. *Renewal fees.*—(1) For the retention of a name in a register after the expiry of five years from the date on which the name is first registered under this Act, there shall be paid for each five years to the Council a renewal fee of rupees ten in respect of each register.

(2) The renewal fee payable under sub-section (1) shall be paid in such manner as may be prescribed, before the 1st day of April following the expiry of the period of five years referred to in that sub-section:

Provided that in the case of any person who on or before the commencement of the Nurses and Midwives (Amendment) Act, 1979, has completed five years after he has been registered under this Act, such fee shall be paid within a period of three months from such commencement or within such further period as may be specified by the Government by notification in the Gazette.

(3) Where a renewal fee is not paid before the due date, the Registrar shall remove the name of the defaulter from the register:

Provided that the name so removed may be restored to the register on payment in such manner as may be prescribed of the renewal fee together with such fine as may be prescribed.

(4) On payment of the renewal fee and the fine, if any, the Registrar shall give a receipt in the prescribed form and such receipt shall be sufficient proof of the renewal of registration of the person concerned.".

STATEMENT OF OBJECTS AND REASONS

The Nurses and Midwives Act, 1953, does not provide for the renewal of registration of nurses, midwives, auxiliary nurse-midwives, health visitors and public health nurses who are registered or deemed to be registered under the Act. In the absence of a provision for renewal of registration, the name of a person once entered in the register continues to find a place in the register with the original registered address even though that person might have changed his address or might even have passed away. So the register may be defective and cannot be relied upon even for statistical purposes and thus it may not serve the purpose for which it is intended. The Indian Nursing Council and the Kerala Nurses and Midwives Council have recommended that suitable provisions might be made in the Act for the renewal of registration of nurses, midwives, etc.

2. The Bill seeks to amend the Nurses and Midwives Act, 1953, for the above purpose.

FINANCIAL MEMORANDUM

The Bill, if enacted and brought into operation, would not involve any expenditure from the Consolidated Fund of the State.

MEMORANDUM REGARDING DELEGATED LEGISLATION

Sub-clause (2) of clause 1 of the Bill seeks to empower the Government to appoint, by notification in the Gazette, the date on which the Act shall come into force.

Sub-section (2) of section 24A, proposed to be inserted by clause 2 of the Bill, empowers the Government to prescribe the manner in which renewal fee shall be payable. The proviso to that sub-section empowers the Government to specify the further period beyond the period of three months referred to in the proviso, within which certain persons shall pay the fee for renewal of registration. The proviso to sub-section (3) of the said section empowers the Government to prescribe the manner in which renewal fee is to be paid in the case of persons whose names have been removed from the register, and the fine to be paid along with the renewal fee for restoration of their names in the register. Sub-section (4) of the said section empowers the Government to prescribe the form of the receipt to be given by the Registrar on payment of the renewal fee and fine, if any.

The above are matters of procedure or details or of administrative nature. The delegation of legislative power is thus of a normal character.

K. P. PRABHAKARAN.
